

Harvest Operations Corp. is a diverse energy company, based out of Calgary, offering exposure to conventional upstream oil and natural gas production and SAGD operations. We are focused on identifying opportunities to create and deliver value with an active development program and a technical approach taken to maximize our assets. Harvest is committed to protecting the health and well-being of our people, the public and the environment through every decision and action taken each day.

Harvest has an immediate opening for a **Field Safety Advisor** reporting to the Manager, EH&S. This position will be based in the Grande Prairie area and will require frequent travel to area operating fields.

Key Responsibilities:

- Foster and promote a proactive Health & Safety mindset with all staff and vendors through communication of and training to the EH&S management system, Standard Operating Procedures, Critical Task Evaluations, Hazard Identification, etc.
- Support the continued implementation and development of the Harvest Health & Safety Management System
- Maintain knowledgeable of and monitor compliance of all relevant Health & Safety regulations, including AER, OGC, OH&S and WCB
- Ensure a regular Health & Safety presence is maintained with field operations as well other functional groups, through ongoing safety meetings, site inspections and work observations
- Support incident investigations and the implementation of corrective actions
- Conduct Harvest safety orientations and training for new hires and vendors
- Previous operations experience and any other oilfield related experience is considered an asset

Qualifications:

- 5-10 years' of Health and Safety work experience in the oil and gas industry.
- Related college diploma and/or professional safety certification.

Harvest Operations Corp. provides competitive compensation and a comprehensive benefit package including both short term and long term incentive plans. We are committed to providing ongoing professional development and opportunities for career advancement. Please visit Harvest's website at www.harvestenergy.ca to learn more about our company.

Resumes will be accepted until May 18, 2018. Please email your resume and cover letter to:
