

Harvest Operations Corp. is a diverse energy company, based out of Calgary, offering exposure to conventional upstream oil and natural gas production and SAGD operations. We are focused on identifying opportunities to create and deliver value with an active development program and a technical approach taken to maximize our assets. Harvest is committed to protecting the health and well-being of our people, the public and the environment through every decision and action taken each day.

Harvest has an opening for a **Foreman – Field, Process, and De-oiling** reporting to the Superintendent, BlackGold. This is a full time position located at the BlackGold SAGD Facility near Conklin, AB. The successful candidate will reside in a camp facility on a rotational basis.

Key Responsibilities:

- Supervise, lead, and mentor a team of Unit Operators in the area of field, process, and de-oiling.
- Manage employee performance reviews and staff development.
- Ability to fill the role of Chief Power Engineer on a short term, coverage basis.
- Ensure all pressure equipment is compliant with the Pressure Equipment Safety Regulation.
- Manage budget and cost control in area of responsibility.
- Maintain compliance with required safety certification and regulatory requirements, such as ABSA, AER, and OH&S.

Qualifications

- Valid 2nd Class Power Engineering Certificate of Competency, preference will be given to candidates that possess their 1st Class.
- Valid Class 5 Operator's License or equivalent.
- A Degree or Diploma in a related program such as Power Engineering, Mechanical, Petroleum, or Chemical is an asset.
- Minimum 10 years of industrial facility operations and 5 years supervisory experience, SAGD experience is an asset.
- Experience with budget and cost management is an asset.
- SAGD or other oil and gas facility commissioning and start-up experience is an asset.
- Self-motivated with a strong work ethic, good communication skills, and a positive attitude.
- Proficient with personal computers, software applications, and facility control systems.

Harvest Operations Corp. provides competitive compensation and a comprehensive benefit package including both short term and long term incentive plans. Please visit Harvest's website at www.harvestoperations.com to learn more about our company.
