

Harvest Operations Corp. is a diverse energy company, based out of Calgary, offering exposure to conventional upstream oil and natural gas production and SAGD operations. We are focused on identifying opportunities to create and deliver value with an active development program and a technical approach taken to maximize our assets. Harvest is committed to protecting the health and well-being of our people, the public and the environment through every decision and action taken each day.

Harvest has an immediate opening for a **Maintenance Supervisor** reporting to the Superintendent, Blackgold. This is a full time position located at the BlackGold SAGD Facility near Conklin, AB. The successful candidate will reside in a camp facility on a rotational basis.

Key Responsibilities:

- Supervise, lead, and mentor a team of maintenance trades including electricians, instrumentation technicians, millwrights, and pipefitters.
- Plan daily and weekly work for a team of maintenance trades including electricians, instrumentation technicians, millwrights, and pipefitters.
- Manage budget and cost control in area of responsibility
- Manage employee performance reviews and staff development
- Ensure compliance with ABSA, AER, OH&S requirements.
- Maintain compliance with required safety certification and regulatory requirements.

Qualifications

- Valid Journeyman or Inter-Provincial Trade Certification, millwright, electrician, or instrumentation, preferably dual trade certified.
- Maintenance management experience with a related Diploma or Degree will be considered.
- Valid Class 5 Operator's License or equivalent.
- Minimum 10 years of industrial facility maintenance and 5 years supervisory experience, SAGD experience is an asset.
- Experience with budget and cost management is an asset.
- SAGD or other oil and gas facility commissioning and start-up experience is an asset.
- Self-motivated with a strong work ethic, good communication skills, and a positive attitude.
- Proficient with personal computers and software applications, such as CMMS and Microsoft Office.

Harvest Operations Corp. provides competitive compensation and a comprehensive benefit package including both short term and long term incentive plans. Please visit Harvest's website at www.harvestoperations.com to learn more about our company.
